Dear Sir:

I had a visit from your team Manager in the army, Charles C. Williams, telling me about your playing with the army team. I told him you had agreed to play with us just before you entered the army, and I was expecting to hear from you when you were discharged. Do you still plan to play ball? So many things happen to the men in service you may have changed your plans. I asked Mr Williams to get in touch with you, and told him I would write you in the meantime.

We are going to train in Jacksonville Florida this year, and plan to open camp April 1st.

I would like you to write me right away, as we are busy making plans for training, and for the entire season. A lot of The Eagles were in the service and I expect all of them to be out by the time the season opens. When you write please send me some information about yourself. Your service record with the ball club would be very desirable. Also your age, weight, height, right or left handed, etc.

I will be looking to hear from you as soon as possible.

Very Truly Yours

P.S. Your Sgts. address is Charles C. Williams  
158 Madison Ave.  
Elizabeth N. Jersey.

in case you want to get in touch with him
